Vocal Complete -- Female Voice Jazz Standards: Piano/Vocal Sheet Music With Orchestrated Backing Tracks, Book & 2 Enhanced CDs

Synopsis

Sing 16 of the world's most beloved jazz standards in the style of legendary vocalists like Ella Fitzgerald, Judy Garland, Etta James, Eileen Rodgers, Barbra Streisand, Sarah Vaughan, and more! This deluxe package (songbook plus two enhanced CDs) provides everything you need to arrive at auditions and performances completely prepared, whether your accompaniment will be live or pre-recorded. If a pianist is present, hand them the complete piano/vocal sheet music. (Chord fingering grids are also provided for optional guitar accompaniment.) If recorded accompaniment is required, the fully-orchestrated audio tracks will lend a professional touch to your performance. Vocal demonstration tracks are also included for each song. Titles: Anything Goes * At Last * Bewitched, Bothered and Bewildered * Cry Me a River * Don't Rain on My Parade * Dream a Little Dream of Me * Embraceable You * I Get a Kick out of You * Misty * My Funny Valentine * Over the Rainbow * Someone to Watch Over Me * Summertime * They Can't Take That Away From Me * Whatever Lola Wants * When I Fall in Love. With Vocal Complete, the sheet music matches the original key and form of the backing tracks, so if you practice singing with one, you won't encounter unexpected variations with the other. Upload the tracks to your portable music player for practice, performances, auditions, parties, or even singing for fun in the car! There are two versions of every song on the CDs: a full-performance track with sound-alike vocals for listening and learning, and a professional-quality backing track for singing along. When the CDs are played on a Mac or Windows-based computer, the TNT (Tone 'N' Tempo) Changer lets you customize the key and tempo of each track to suit your voice and style. (The key changer modifies audio playback via computer only. The sheet music remains in its original key.) "If you love performing classic jazz standards, you need to have this book in your music bag. I know I'll be using i

Customer Reviews

These are supposed to be jazz standards but the arrangements are not jazz and sound really cheesy. Another reviewer was correct in saying the horns are embarrassingly out of tune. I got a headache from listening. In the future, I will stick to Steve Rawlins "jazz tracks for singers".

This song book is awesome. I love the song selection and the fact that it comes with a demonstration and accompaniment tracks. It is great if you don't have your own accompanist. The only problem I found is that I am a soprano and all the key signatures are very low-still singable, but not in my most comfortable range. This book would be great for altos!!

Good collection for beginners

What a great book and CDs. It arrived on time and in New condition. Thank you to the seller. I'm very happy. Just the ticket for me.

The CD application to change tempo or pitch won't work in MAC OS X , maybe it worked in previous systems but not any longer. I am disappointed because some of the tracks are very slow and I would like to speed the tempo a bit.

Love it!

Excellent! Clear, easy to read scores (especially for my eyes) and brilliant accompaniment. thank you, Phil

Great tracks, great songs. Thanks ...
