The basis for the 2004 movie with Tom Jane, written by Garth Ennis, stands as one of the best examples of The Punisher done right. Frank Castle returns after an indeterminate hiatus, and starts taking apart the Gnucci crime family piece by piece. A must read if you're at all interested in The Punisher.

Great

Garth Ennis is of course one of the best Punisher writers and he definitely shows it here, the art helps it feel a little more light hearted, while the story adds grit, and has a dark sense of humor at points, which all mix together to tell a very good and entertaining story.

Fun and good read.

Just started reading the series as recommended by a friend who has been reading comic books since he was a kid. Great read, came in perfect condition.

Not quite up to the Punisher Max stuff but excellent none the less.

Really good way to bring the punisher back, kind of gory, wish it had more gore, other than that a good read.

fast shipping and an awesome comic!!! Must have for all Punisher fans!
