Growing In Christian Morality: (Student Text)

Synopsis

What does religion have to do with my life? How do I know right from wrong? The course Growing in Christian Morality offers a Christian vision for answering these questions. Decision-making, wise judgment, justice, wholeness, honesty, and respect are themes that this one-semester course makes real for tenth- and eleventh-grade students. The full-color student text contains a variety of stories, cases, and quotes from young people that help students relate the concepts to their own experience. The readable, engaging text and the reflection activities and sidebars will keep students interested in learning about Christian morality.

This book is great, I got it for my Moral Development class at school, and it really teaches the Catholic values strongly (abortion, death, etc.) I would definitely recommend this book for a devout Catholic.
