A Simply Classic Nutcracker: For Elementary To Late Elementary Pianists

Synopsis

These elementary arrangements of the Nutcracker Suite display the careful craftsmanship that Margaret Goldston put into all of her arrangements. Great lengths were taken to maintain the original form of each piece without making the difficulty level increase. Each solo includes an optional duet, which helps to create a full, rich, authentic sound.

Customer Reviews

Exactly as expected. Great book for beginner/intermediate piano students.

As a piano teacher, this is just what I was looking for.

Very nice!

The booklet arrived in pristine condition. The music was clear to read. Perfect for the piano player with a little bit of experience behind them.
