I enjoy Joyce Meyer and have several of her devotionals this *Battlefield of the mind Bible* is awesome. There are daily prayers, history on each chapter before you begin to read it giving the reader a Cliff notes version if you wish to view it that way. I recommend this Bible for anyone who wants a bible in language that everyone can understand.

Great Bible....

This Bible's has so much balance to it , as you read through this Bible, it's simplicity gives you such a sense of understanding, but see not only that the PowerPoints and prayers, that applies to that situation you've read in many ways imitates yours in real life situations...and the devotionals, prayers is right there to come into agreement with...what an awesome Book..but then again we'll have it like that cause Joyce Meyers is one of God's Shephardess.....

I purchased this as a gift for a friend who finds the Bible difficult to read and is having some difficulties. I felt Joyce Meyer's unique approach and insights would offer encouragement and practical advice. The only reason I did not rate this a 5 Star is because I personally am not a huge fan of the Amplified version... personal preference I guess. I would absolutely recommend this to anyone who has similar needs to my friend. I am certain that it will be a blessing to anyone who purchases it.

This Bible is awesome with great articles about renewing your mind and scriptural prayers to change your thinking. It has really helped me just like the battle field of the mind book and devotional. In fact, this Bible is like having a devotional already in there so you don't need two separate books. I really like how the amplified version helps to clarify or expand on what the scripture means giving me a clearer picture of what it means to live out the Word of God.

Amazing! !!So helpful in understanding God's Word and the notes are so helpful.

Joyce has a special gift for helping us see how we can change. It is a battle and she is a warrior!

Very inspirational as only Joyce can do!
