Liebestraum * Masterpiece Edition

Synopsis

Franz Liszt's Liebestraum was originally published as part of three piano solos. Liebestraum meaning Dreams of Love in German, is the third solo and certainly the most well known. Liszt was considered an incredibly talented pianist and to perform this challenging piece requires a high degree of technical ability. This Minstrel Press Masterpiece Edition is exclusively distributed by Santorella Publications. 1-58560-599-9, 635344010165

Customer Reviews

The music is great. I love the 'Simply Classics' arrangements for my young piano students. My only complaint is that the music was slightly bent when it arrived. Perhaps had not been taken care of before shipping. I always try to get pristine music for my students' recital pieces.

Paper quality and presentation are excellent, but it's for beginners. I was expecting the real thing. I'll pass it to my 5 years son.

This is the sheet music to Liszt's beautiful "Liebestraum", one of the most romantic classical solo piano pieces ever. I ordered it after having made copies of the same music from another version and I found that the small print size of the other version was difficult to deal with while learning an advanced piece such as this one. So I was pleased when this came in the mail and the print size is a nice very readable one. There is one flaw that I find in it, in a couple of the runs the right and left

hands aren't lined up completely so it looks like the left hand plays longer than the right, when in fact it doesn't. All in all, though, I am so happy to have this music in my collection. And I play from it every day.

We got this for our granddaughter and it was just what she wanted!
