The Everything Weddings On A Budget Book: Create The Wedding Of Your Dreams And Have Money Left For The Honeymoon (Everything Series)

Synopsis

The wedding book you can take to the bank! Your wedding is the most special day of your life—and you can make it perfect without going into debt! The wedding industry is filled with people looking to take advantage, but The Everything® Weddings on a Budget Book arms you with what you need to maintain control of your money, your time, and your sanity. Whether your budget is modest, moderate, or luxurious, you’ll get the most of it every step of the way . . . and stay within it through your fabulous honeymoon. Barbara Cameron shows you how to:

- Determine your budget and set priorities
- Budget your time and save money
- Find a magnificent wedding gown at an off-the-rack price
- Hagggle with confidence
- Ensure that you get the best service from caterers, photographers, florists, videographers, tailors, and musicians
- Avoid hidden expenses and add-ons

The Everything® Weddings on a Budget Book helps you get the wedding of your dreams at the right price—and allows you to save your energy for the big day!

Customer Reviews

Barbara Cameron is a wedding consultant who has helped plan wedding of many budgets for friends and family. She has written eleven books and teaches English and creative writing.

This book only provides generalities about wedding planning. There aren't a whole lot of specifics, so if you are looking for great detail this book is not recommended. If you are searching for a book

that will get you started for planning a wedding, such as the main tasks that you will need to undertake then this is probably a good first step for you. There are other bridal bargain books that get into the "big picture" as well as the details of when, where and how.

This had alot of helpful hints, that we used for our wedding, covered things you might overlook during your planning

The seller was very prompt at getting the order to me. The book has been so great to have! I would definately give the seller and the book very positive feedback.

Not the greatest book, but not awful either. It helped me stay on track and under budget, which is exactly what I wanted.

Very basic book. Most things inside are common sense. I found Bridal Bargains to be much more insightful and well worth the money. I don't recommend buying this book if you know basic ways to save money already.

I really enjoyed reading this book. It had a lot of helpful and realistic tips for brides on a budget. The author even made me smile a few times with her humor. I hate reading anything that's too stuffy, so I like the fact she provides moments of light heartedness in her writing. I do wish there had been a checklist included, but other than that this is probably one of the best books for weddings I have purchased to date!

I purchased this book to help me and my fiance determined where we could cut costs in planning our wedding. The information was extremely helpful.I received the book with 5 days of purchase. I would order from this party again.

This book looks brand new! There is absolutely no signs of wear. Delivery was in a timely fashion (thank you). Are you sure this is a used book? Terrific transaction. Thank you!
