Black Butler, Vol. 17

Synopsis

Following the outcome of the annual cricket tourney and due in no small part to Sebastian, his uncommon butler, Earl Ciel Phantomhive has earned a seat at the Midnight Tea Party hosted by Weston's enigmatic headmaster. As moon-pale petals bloom on the lapels of the students who have been granted a place at the Midnight Tea Party, the man who holds all authority at the school reveals himself to his guests. Will his appearance shed light on the fate of the missing students, or conceal the path to truth in yet more darkness?

Book Information

Customer Reviews

Yana Toboso is the creator of the wildly popular series BLACK BUTLER which is currently serialized in Square Enix's magazine MONTHLY GFantasy. Her previous work was a single volume entitled RUST BLASTER.

Wife loves the manga, I just watched the TV series so have some catching up to do.

I can't express how much I love this volume! The story, the art work, everything was just perfect! And the big reveal was quite surprising.=)

Fabulous thank you

This manga contains the end of the cricket match and the near end of the Weston collage arc not much to say but I highly recommend this to fans of the series>

Good condition.

Great price, daughter was very happy.

This is just as good as all the other volumes, I was most certainly not disappointed (except, you know, when it ended)! The plot-twist at the end although I knew it beforehand was still incredibly well done and worth the read!

Thank you! I love it!
