Death Note, Vol. 5

Synopsis

Light Yagami is an ace student with great prospects-and he's bored out of his mind. But all that changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. But when criminals begin dropping dead, the authorities send the legendary detective L to track down the killer. With L hot on his heels, will Light lose sight of his noble goal...or his life?

Customer Reviews

Artist, Takeshi Obata made his debut in 1989 with CYBORG JI-CHAN G. The runner-up recipient of the 30th Annual Tezuka Award, Obata's major works include CHIKARABITO DENSETSU and MASHIN BOUKENTAN LAMP-LAMP.

A must read, especially if you've already watched the anime. (Like most.) It's extremely twisted with an amazing plot, & characters. There's much left out that's important to the plot & development that was not in the anime. I definitely highly recommend this series.

Nice gift.

Slow in some parts.

Thank you! Perfect condition

Exactly as described. Came on time maybe even a little early. No bent corners or anything like that. Brother loves it so it's perfect

Great item! An amazing price for an item that was in such good condition! Very fast delivery. 5stars!

Exactly as described--I love this series so much!

Death Note Rules!!!! One of the best anime out there
