Whistle!, Vol. 9 (v. 9)

Synopsis

Sho & Tatsuya manage to overcome their quarrel concerning Tatsuya & his relationship to his father, but they're still right in the middle of the game against tenacious Rakuyo. Josui manages to tie it up, but will they be able to squeak out a victory in the PK shootout?"

Age Range: 11 - 15 years

Grade Level: 6 - 10

Customer Reviews

Daisuke Higuchi's manga career began in 1992 when the artist was honored with third prize in the 43rd Osamu Tezuka Award. In that same year, Higuchi debuted as creator of a romantic action story titled Itaru. In 1998, Weekly Shonen Jump began serializing Whistle! Higuchi's realistic football manga became an instant hit with readers and eventually inspired an anime series, debuting on Japanese TV in May of 2002. The artist is currently working on yet-to-be-published new series.

each issue develops more than just the main character but keeps the main character as it's center. not only are you rooting for sho but as you learn more about each teammate you start to care about them too. yes you want sho to be the best but you also want the team to be a team. the kind of sports manga I enjoy.

these multiple book storylines drive me crazy but so far it has been worth the wait. but since the

next book is not out I will have to wait longer than the past.

needs previous book and next book to totally tell a story but still good. Still a great series. hope future books do not always end in cliffhanger.

Love this manga series! Great addition to a great story line!! This has to be the best book in the series so far!!
