# Christians And Jews In The Ottoman Empire

## Synopsis

How did the vast Ottoman Empire, stretching from the Balkans to the Sahara, endure for more than four centuries despite its great ethnic and religious diversity? The classic work on this plural society, the two-volume *Christians and Jews in the Ottoman Empire*, offered seminal reinterpretations of the empire's core institutions and has sparked more than a generation of innovative work since it was first published in 1982. This new, abridged, and reorganized edition, with a substantial new introduction and bibliography covering issues and scholarship of the past thirty years, has been carefully designed to be accessible to a wider readership.

## Book Information

Paperback: 374 pages

Publisher: Lynne Rienner Publishers, Inc.; Abridged edition (July 31, 2014)

Language: English

ISBN-10: 1588268659

ISBN-13: 978-1588268655

## Customer Reviews

Provides a hitherto missing, yet indispensable, introductory treatment of the role played by non-Muslim peoples in the multinational Ottoman empire. (Middle East Journal) An exceptionally rich resource ... on a very important and highly interesting topic. (The Muslim World)

Benjamin Braude is associate professor of history at Boston College.

This is must reading for those eager to penetrate the history of Muslim relations with Jews and Christians--one of the great issues of our time. These essays, reprinted in more accessible form after 30 years are revelatory in clearing up much of the accepted wisdom and verbiage describing this relationship. The new introductory essay by Prof. Braude stands as one of the best short introductions to Ottoman rule and is alone worth the price of the book

Excellent work. Erudite and engrossing. Kudos to the authors, especially the excellent introduction by Prof. Braude.
