Tosca is an opera in three acts by Giacomo Puccini based on the Victorien Sardou's dramatic play La Tosca. Tosca is dramatic and beautiful. To this day it is one of the most frequently performed operas.

This book/audio of Madama Butterfly arrived in very good condition and was exactly as ordered. This is my favorite opera and I only had cds with highlights of the opera and I always wanted to be able to listen to the whole thing. I can not only hear it but read the dialog as they sing.

Really nice to have the cds with the book, and in such a nice presentation. I very much like the orchestration and production, and the individual singers of this production. A wonderful way to learn the opera.

He really liked it. It is a cd of the opera with accompanying book. He listens to it while making his artwork.

I love this opera book series!!!! They should come out with new titles! Highest praises!! 5 stars!! Go get this series! Run, don't walk. Opera is fun and fabulous!

Great seller, Shipped and arrived on time as described, doing business was a pleasure and I don't say this just because...I say it because you are a great person to buy from.

If you like Opera you'll love this book. What a great series for those who are interested in learning the stories and how they came to be.

The two CDs that come with the book are very good, and the book tells you the entire story of this wonderful, wonderful Opera. I recommend it for those who are preparing to see the performance for the first time, or perhaps for those who want to enjoy it as I do, time and again after the performance. I find the Black Dog opera series of books with CDs a great resource

I love the Black Dog Opera books--background information on the opera, full text and its English translation, the opera on CD. What's not to like?
