Customer Reviews

The intermediate level is just challenging enough to be fun for this returning-adult player.

Considering this is operatic music, I do wish the pieces included lyrics, Since I close the windows to protect the neighbors when I play, I would like to be able to sing along too.

terrific arrangements of well known Puccini operas....the melody lines shine

Music is easy to read. I was able to follow, transpose, and play along with the recorded Puccini operas.
