Mangoes, pineapple, and coconut add their special distinctive touch to these desserts. Okinawan Sweet Potato Pie with Haupia Topping is one of the many desserts unique to Hawaii. You can now make your own!

This is one of the best local cookbooks from our islands. I am currently in Texas and miss my island, Maui a lot. This book just brings home some of our island treats. My family was more than happy to be at the receiving end of this treasure. Recipes are easy and true to taste. I plan on getting a few

more in this group, and look forward to blowing family away!!

This book has a lot of great Hawaiian recipes. The price of the book is worth it if just for the recipe for Hawaiian Jello Cheesecake. It is absolutely the best! I had this kind of cheesecake in Honolulu years ago at a bakery, and have never been able to duplicate it until now. The second time I made it I substituted whipped cream for the evaporated milk. It tasted even better! Yummmm. My family absolutely loved it.

Finally nice to have island made dessert recipes. Just reading through the cookbook makes you excited to make each recipe. I would recommend to anyone who loves making desserts.

Clean book and fast service. Jean hee gives a popular variety of desserts in hawaii. Real nice color plates, so you know what the finished product should look like...

Jean Wantanabe knows her stuff when it comes to Hawaiian recipes for sure. Best hawaiian cookbooks ever! Five stars for sure! But them at this price for great savings!

Book cover is different which makes me wonder if I got a different version of the book. Recipes still look great tho.

Gave this away at a white elephant. They loved it

This has many great recipes!! Unique goodies to make that are and have been big hits for me!! :) a must have!
