Arm Knitting: 30 No-needle Projects For You And Your Home

Synopsis

30 quick and easy step-by-step projects that utilize the hottest needle-free trend in knitting: arm knitting. It's fast, it's easy, and it's fun. Arm Knitting features 30 step-by-step projects for head-to-toe wearables, accessories including bags and baskets, and items for the home. Every project is needle-free, and, though you can create the same stitches and use many of the same techniques as in regular knitting, big stitches and chunky yarns allow for much more rapid results. Let the photography inspire you as you work through each project, whether you want a new scarf for the winter or a new wreath for your door. From choosing yarn to weaving in ends to sewing pieces together, Arm Knitting guides you every step of the way. Perfect for those who don't know how to knit but want to learn, this popular needle-free technique will give you beautiful results in hardly any time at all.
