Longman Introductory Course For The TOEFL Test

Synopsis

This complete course was designed to help intermediate students (TOEFL "RM" test scores 380-480) increase their scores on all sections of the revised TOEFL "RM" Test. It is the perfect starting point for students preparing for the new TOEFL "RM" CBT! This text includes: -- 45 skills and strategies with clearly defined steps and practice to improve performance on each section of the test. -- Clear visual charts that double students' understanding of language likely to appear in the TOEFL "RM" Test. -- TOEFL "RM" test-like exercises that provide focused practice of specific language skills. -- Pre-tests and post-tests to diagnose needs and measure performance to determine areas of weakness. -- Two complete Practice Tests to accustom students to the TOEFL "RM" Test format. -- A progress chart that allows students to keep track of their improvement. -- Appendixes for extra language practice. The course is accompanied by a set of Audiocassettes and a User's Guide. The User's Guide consists of tapescripts, answer key with explanations, and helpful teaching tips. This book can be used with the CBT Volume for a complete preparation program.

Providing both a comprehensive language skills course and a wealth of practice for all sections of the test, the Longman® Introductory Course for the TOEFL® Test: IBT, by Deborah Phillips, gives intermediate students (scores of 450 to 520 on the paper® TOEFL® Test or 45 to 70® on the® TOEFL® iBT) all the tools they need to begin to prepare for the TOEFL® iBT integrated-skills test. Upon completion of the Introductory Course, students are ready to handle

the more advanced material in Longman's Preparation Course for the TOEFL® Test: IBT.

Note: You must have the Audio CDs to use the listening material (the Skills Practice, the Mini-Tests, the Complete Tests, and the TOEFL®-level Test) in the textbook. The audio material on the CD-ROM is different from that on the audio CDs. Click here to purchase the Audio CDs.

The Student Book features: Updated material for all the new types of passages and questions on the test. Diagnostic pre-tests and post-tests that allow students to identify strengths and weaknesses and assess improvement in each section. Practice sections for the four skills: Reading provides practice exercises in the new test formats, including filling in a table or chart and paraphrasing. Listening provides authentic conversations between two people in an academic setting and academic lectures with new questions about a speaker's attitude or purpose. Speaking includes personal and expository tasks and integrated tasks. Writing consists of expository and integrated tasks: reading/listening/writing. Four mini-tests that preview the test's integrated four-skills format. One complete introductory-level practice test. One TOEFL®-level test.

The CD-ROM features: Completely different material from that in the Student Book. Practice sections for all parts of the test, including speaking. Four mini-tests. One complete introductory-level practice test and one TOEFL®-level test. Pop-up explanations for all items on the CD-ROM. Easy-to-use scoring and record-keeping to monitor progress. New "send" feature that allows electronic submission of results, reports, and spoken and written responses.

This book is too easy for students who want to get a high score on TOEFL.

Very good and according to my order

Book as described. Recommended. Thank you.

The book is in great condition

Helpful

I do not like it! It is not only old but also dirty. If I know this, I won't rent it, I will buy one. Because the price is almost same.

This book is very user friendly and is a great way to help students understand how to prepare for this challenging exam.

It's good, outside is ok and inside has a few marks and it has CD at the back cover.
