Customer Reviews

"This highly practical book has one goal: to get users (B1 and above) through the listening and speaking parts of the iBT(r) test. (...) includes a wide variety of practice activities (...) 'Get it Right' sections provide tips and exam strategies. The breadth of academic topics covered (...) is impressive." Pete Sharma, EL Gazette, April 2014

Good quality listening tracks and useful test preparation tips, but the answer explanations for the sample questions and even the answers themselves are riddled with errors throughout the book. Horrible editing by this publisher. Avoid.
