I'm proud but slightly embarrassed to say that I'm an adult Warriors fan! Love these books and love that Graystripe!!

Great!

My granddaughter loves the Warrior Cats book series. She has the first four box sets, and several of the Special Editions. I would recommend this series for any younger reader, and I have heard they are actually good for older readers, as well.

It was nice to finally get to read, and see pictures, of Greystripe and what happened to him when taken by the Twolegs. Good story, happy ending!

bought for grand daughter who has the collection of Warriors books, enjoys them

Amazing price for manga that you can not find anywhere!

Beautiful

My partner's daughter loves this series. They arrived promptly and in great condition. I wish it had taken her more than one afternoon to read them all, but that's hardly the manga's fault!
