Customer Reviews

This is an absolutely spectacular and gorgeous edition of Handel's famous oratorio. The binding is beautiful and the cover of the score is wonderful. The words and notation is clear, crisp, and easy to read. The score includes suggestions and cadenzas, and different versions of many pieces. I just performed the Messiah with my choir, and this is the score that my conductor used and recommends for the singers. The best out there!!!

This edition of the Messiah makes a wonderful addition to my personal library as well as the perfect gift to give to a music affectionato! I love the "interpretive" comments throughout the score. The hardcover insures a lifetime of quality performances on the professional stage as well as in community "Sing-a-long" settings.

Great Copy and a great edition. This will work well if you want to preform the arias or just sing in the chorus. It might be a little big, but the perfomers additions make it worth owning. I'll definitely be keeping it in my library.

An excellent quality publication, arrived in New Zealand in less than a week!

This is a handsome, durable edition, worth twice the price for any vocalist who treasures Messiah and plans to perform the piece in concert or join a holiday singalong.

This is a beautiful, sturdy, and very easy to read score. I'm glad I splurged and spent the extra money.

I use this to sing HALLELUJAH chorus every year where we live! Love it!!

I wanted a hard cover for longevity. The words and notes are smaller than my previous book, which I cannot locate. Phil French from Phoenix National program director RMS Inc.
