## Customer Reviews

I used this book as a "warm up" heading toward Easter. It is completely Christ centered and helped me focus only on Christ as I look forward to Easter Sunday.

Wonderful book. Recommend!!

This is an excellent book. It covers the life of Christ from incarnation to death and resurrection to second advent with many new and helpful insights!

Very devotional and smart read! I recommend it to anyone wanting their heart warmed toward Christ! Kindle version available, too

One of the best books ever about Jesus! Everyone should read it.

Great Book. I bought this to follow a Bible Study which I was listening to online but discovered what a great book it is. So nice to get these books on Kindle.

This is a beautiful book, I think I know Christ better. Although the language is a little complicated, I love the way the writer send us to a detailed journey with Jesus. Just one complaint, the last chapter about the second advent, was a little poor.

excelent
