Excellent lessons in Christian character from prominent pastor whose Sunday School numbered 10,000 members at one time.

Great book for young lady's!!

From a Reformed Reader: With discernment applied in the view of the Sovereignty of God in salvation, I found this to be the best book I have ever read that was written by an Arminian. It goes on my shelf as one of my top biblically sound reads.

One of the best thought provoking books I've ever read. Very deep thinking, and lots of musing done in this book.

I ordered the book as a gift for my sister and even though it was not a new book she was thrilled.

Good for youth workers to read.

This book has spelled out what it means to have character. It's very practical and very powerful!
Great book

Jack Hyles has written on so many different topics in this book that it becomes a handbook full of sermon starters for pastors. And for that, it is extremely valuable.

I first read this when I was a teenager (back in the 1990's.) Bro. Hyles was alive and preaching truth....I sure do miss his testimony and faith. Excellent book and I highly recommend this one!
