JANE R. BURSTEIN has been an ACT and SAT tutor for numerous years, and is an Adjunct Instructor and Student Teaching Supervisor in the College of Education at Hofstra University, including preparing secondary-school ELA teacher candidates on creating effective edTPA

portfolios. She has gone through training with Pearson, the edTPA administrator, to grade Secondary ELA portfolios.

Do not buy this book. The examples are not what edTPA is looking for. Plus, all content areas have different questions- so it's useless for the ones not included. WASTE OF MONEY

I completed my edTPA this past semester (I was in a Masters in Teaching program w/ Initial certification). Although the questions a little different than the assessment I had to complete (Secondary Science), overall, this was was great guide. It is full of exemplar response to the different prompts and will give you an idea of what your response should look like. Worth the buy! If your program does not really give you much guidance on this process, I think this book will help you a lot. Results (NY State) Passing Score - 41 Mastery Score - 48 My Score - 49
