House Of Collectibles Price Guide To Star Trek Collectibles, 4th Edition (Official Price Guide To Star Trek Collectibles)

Synopsis

BEFORE YOU BOLDLY GO AND BUY OR SELL STAR TREK COLLECTIBLES-- GET THE FACTS! MORE THAN 5,000 PRICES LISTED! When the Star Trek television series originally aired in 1966, the show inspired little enthusiasm from the media. Not so with the legion of devoted viewers. Now, three decades later, Star Trek remains alive and well thanks to classic re-runs, spin-off TV series, and blockbuster movies. It's no surprise that Star Trek memorabilia has become the hot area of collecting. With this handy sourcebook, you just might live long and prosper! []

COMPREHENSIVE. From action figures, buttons, and calendars to jewelry, posters, and trading cards, The Official Price Guide to Star Trek Collectibles lists more than 5,000 prices and covers all Star Trek TV and movie memorabilia, including spin-off series like Star Trek: The Next Generation, Star Trek Voyager, Deep Space 9, and Babylon 5. []

WRITTEN BY EXPERTS. Sue Cornwell and Mike Kott are founders of Intergalactic Trading Company, Inc., which specializes in Star Trek collectibles. They have attended more than three hundred conventions as dealers. Intergalactic is currently the most active company in the country dealing primarily with Star Trek memorabilia. []

PROFESSIONAL ADVICE. Helpful tips on building a collection and important information on the condition and care of your investment. []

SPECIAL SECTIONS. An on-target market review features important information for determining authenticity--plus updated material on dealers, clubs, fanzines, and European collectibles and conventions. []

FULLY ILLUSTRATED. The Official Price Guide to Star Trek Collectibles is packed with photographs for easy identification, including an eight-page color insert. STAR TREK(c) is a trademark of Paramount Pictures Corporation registered in the U.S. Patent and Trademark Office.

This is a good book, however it does not have the things that I wanted i.e. dolls and single movies of the series. I would recommend insofar as it is specific but does not cover pertinent items

Nice book. A little dated not having many recent collectibles. I was able to find who made the Starfleet Class Ring I was trying to find out about for years, so I was very happy. I wish it had more pictures. Generally this was a good buy and worth having.

This is the best star trek price guide I've found and I've been looking for a while. However this book is a few years out of date, it would be great if they updated it.

This is a wonderful book for the serious collector that has to stay on top of pricing guidelines. It has a huge range of products, lots of pictures, detailed descriptions, and is easy to use. I'm always searching for another Star Trek Collectible reference, but none is as well done. The only problem is it needs to be updated.

As I am not a serious "Trekie", my only interest is in finding the value of a lifesize standup movie display depicting the entire crew of the Enterprize. This display is from the original Star Trek movie. Am possibly interested in selling. Any help out there?
