# PHR Study Guide 2017: PHR Certification Test Prep And Practice Questions For The Professional In Human Resources Exam

## Synopsis

Think all PHR®/SPHR® study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time - and money! - retaking an exam. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the PHR®/SPHR® test but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the Professional in Human Resources Certification® test...and they get a variety of results. Trivium Test Prep's PHR®/SPHR® exam study guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the PHR®/SPHR® exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our Professional in Human Resources Certification® Exam study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; PHR®/SPHR® questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. PHR®/SPHR® Test Prep book that brings the heat PHR®/SPHR® Exam study guide that is new standard PHR®/SPHR® Exam prep that helps you dominate the competition PHR®/SPHR® Study manual that raises the bar PHR®/SPHR® Review book that will help you win PHR®/SPHR® Practice test questions that are similar to what you will see on test day PHR®/SPHR® Study guide 2015-2016-2017 that you need to help you ace your exam and get your certification

## **Customer Reviews**

Very good book! It has all the basics and covers everything needed for the PHR. Also, this is a great tool for HR a professional just starting out in their careers.

I like how it is too the point without a lot of filler and feel like I will be able to be better prepared in a shorter time frame.

I can't give it a 5 yet because I haven't taken the test yet. I do like the size of the book and its font is easy to read. I also appreciate the test questions.

My goal was to pass my PHR exam. I feel that this resource has helped me feel confident that I will pass the exam.

Best study guide and I feel almost ready for the examination

This guide is a must have for anyone prepping for the PHR. First of all, this guide is a 2017 edition, so I know that it has the most up to date content. Many of the other guides that I saw were from last year and beyond, so this was a big deal to me (and also something to watch out for). Actually, this guide is pretty thin--definitely much less intimidating than the huge, heavy guides that some of my friends were carrying around! This guide is well written and easy to understand. This guide is broken up into sections, so you can go right to the area that you want to focus on without having to do a ton of searching or reading the guide from cover to cover to get the most out of it, which saved me a lot of time! I also thought that the practice questions were very similar to those on the real test, so I felt more confident about my score. I would recommend this guide to others who are looking for a general idea of what to expect and a good guide for a great price.

I paid \$400 for a full e-book course online to be on the safe side in regards to preparing for the PHR. This one book seems to cover everything that course has to offer. Excellent resource for the price and very clear and concise outline. This is an excellent supplementary resource for PHR preparation.

I just took the PHR and passed on the first try. I took it 10 years ago and passed on first try, as well. If you do not have a lot of HR experience, I would highly suggest a training course, as well. This book was one of two books I bought and I used the practice tests from HRCI and some practice apps on my phone. This is a great book for overview of HR content and testing your knowledge. It does not delve deeply but is great at refreshing. I do think you should not use this alone for the test especially if you do not have applied knowledge. I gave it 4 stars because you could not use this alone, but it is still very well written.
