The Book Of Secret Wisdom: The Prophetic Record Of Human Destiny And Evolution

Synopsis

Do you wonder about the future and the destiny of humanity? Do you want to know the true purpose of your existence on Earth and in the Universe? A long-hidden ancient text holds the answers you seek! Zinovia Dushkova, Ph.D., is one of the few living people who has gained access to the million-year-old manuscript widely known as the Book of Dzyan. Written in the language of the Gods, called Senzar, it is secretly hidden in the heart of the Himalayas, accessible to only a chosen few over the course of human history, including Gautama Buddha, Jesus Christ, Pythagoras, Plato, and Helena Blavatsky. Interpretations of various parts of this secret manuscript, presented in different lights, can be found in all religions and philosophies. Now, for the first time ever, Dr. Dushkova has presented a never-before-seen excerpt from this ancient sacred text in *The Book of Secret Wisdom*. Beautiful and enlightening, it will reveal not only our past, but also our present and future. To facilitate your understanding of this profound and poetic text, the book contains a comprehensive glossary gleaned from the supreme sources of wisdom. In *The Book of Secret Wisdom*, you will discover the answers to these questions: What are the ultimate goal and purpose of human existence? What is the cause of destructive weather, natural disasters, and global warming? What really happened in 1999 and 2012? What is the Great Event expected to occur in 2017? When will Armageddon and the Day of the Last Judgment occur? What should you expect in the coming decades? Why are people dying, and is there a chance to be immortal? Why does it seem that time is speeding up? What is the famous Philosopher's Stone? and much, much more! The all-embracing and undistorted Truth presented in this book was once accessible only to the privileged initiates of ancient civilizations who spent much of their lives seeking it. But now it is available to you in the pages of *The Book of Secret Wisdom*, a book that offers unprecedented access to the world's most ancient mysteries. "This book is an immeasurable treasure of knowledge. Its depth and scope are incredible." -- 2016 Benjamin Franklin Awards Judge "It reads beautifully like a storybook, feels like a fable, and reveals valuable lessons of love for this lifetime." -- Allyson Gracie, Wellness Specialist, Pilates & Yoga Instructor "One of the most inspiring, all encompassing, volumes of true truth I have read in all my years of seeking truth." -- April Gieseke "It is deep, deeper and vast than you could have ever imagined." -- Aakriti, Goodreads If you are a spiritual seeker who enjoys expanding the boundaries of your understanding, this book is for you. Buy *The Book of Secret Wisdom* now to unveil the world's most ancient mysteries!

Customer Reviews

love this book

Haven't read the whole thing yet but I really enjoyed the part I've read so far. Pretty easy to understand. I would recommend to anyone interested in the subject.

Great book.

The book was interesting and it gives a little depth to it.

good

“The Book of Secret Wisdom” is a glance at the Earth beyond Time, beyond Space, beyond Distance, conveying in simple phrases the past, present and future history of humanity. To

be honest, my mind could not fully understand what was written, but the heart realized the whole Magnificent Mystery of Life on our planet and trembled in time with the words on the page. When you read the stanzas from the Book of Dzyan, an amazing inner process takes place. You seem to experience the evolution of the planet; it goes on inside of you, and you watch as its state changes. Now pain, now joy, now acceleration of motion; then slowly, slowly, something binds you fast, and again a spiralling turn upwards, and then delight and Love! Everything is so Grand and so Simple! The Book of Secret Wisdom expands the boundaries of our vision of the surrounding world. It affirms that the basis of all things is Love: without Love there is no Life. It teaches us to hear and understand the Voice of our Heart. We might also call this the doctrine of Blavatsky in simple words. For those who are searching, it is a field for reflection. The book provides an opportunity to properly assess the confrontation between darkness and Light, and it makes us take stock of how we can assist in shoring up the forces of Light. For me, this book is yet another opportunity to touch the secret pages of the history of our planet, from its origins to the future times.

Good, but though to understanding it

"Welcome, reader, for the third time." That phrase appears in books published decades before this one, in the English translations promulgated by the Agni Yoga Society after the First World War, making public the teaching from Nicholas and Helena Roerich. N. K. Roerich died in the 1940's, his widow Helena (Yelena Ivanovna) died in the following decade. Agni Yoga is one name for this system of teaching and philosophy; another name is Living Ethics, a label translated directly from the Roerich's native Russian (they escaped during the Bolshevik uprising). Zinovia Vasilievna Dushkova was born, in Moldova, about the time that Helena Roerich died in India. Mme. Dushkova has only recently been publishing English translations of her books; in her native Russian language, she has published scores of titles over the decades. For an English-speaking audience of readers, there is a historical precedent alongside the claims of "secret", "esoteric", "hidden," and so on. That precedent was set by The Secret Doctrine, published over a century ago, under the name H. P. Blavatsky, herself a Russian emigre. The Blavatsky publication, through her Theosophical Society, was possibly the first to present to the West the word "dzyan," supposedly a word from Tibetan, meaning precisely "secret," "esoteric," "hidden." Blavatsky claimed that her two-volume Secret Doctrine was an attempt to translate, with commentary, from Tibetan into English, the opening of a book centuries old. She made no secret of the fact that hers was an unfinished work, that the mysterious Book of Dzyan was longer still and would require more books to cover the rest of its

stanzas. It is Madame Dushkova's claim that this present title, her Book of Secret Wisdom, is nothing less than a continuation from the Tibetan Book of Dzyan. So she takes upon herself the role of successor to Yelena Ivanovna Roerich, herself an ardent admirer and student of Blavatsky's career and writings. Blavatsky's career, in exile in India and the West, left a sensational trail of scandal and calumny, along with those books of hers which have remained in print against all odds. Madame Roerich admired Blavatsky sincerely, but wished to evade the scandal and calumny if possible; although there was indeed controversy and bad press about the Roerichs, their joint writings and publications stayed largely out of the public eye. Madame Dushkova's book, if it is true to this interesting and controversial literary tradition, is going to get mud flung at it, and will be burned along with the juvenile fiction by J. K. Rowling which has been so successful in recent years. The same people who object to Blavatsky, Rowling, and the Roerichs, are going to resist Madame Dushkova down to their last ounce of strength. In between those who repudiate and reject this "secret wisdom" heritage, and those whose positive response has an emotional, beyond-rational thrill of recognition, will be many readers who feel stranded, high and dry. They are polarized neither towards the positive nor the negative, and are mostly in ignorance: and who can blame them? Books like this don't turn up every day. That said, Dushkova's Book of Secret Wisdom, in its careful and thorough reworking in English, may serve, and serve well, to introduce the ignorant, open-minded, open-hearted reader to a cosmology and way of life that is new and unfamiliar. The English-language glossary is longer than the Dzyan-translation itself; and this glossary may be employed to come to grips, not only with Dushkova's books, but with those of Blavatsky and the Roerichs before her.
