Customer Reviews

Great. Must have if you are Game of Thrones Fan

Top notch! Metallic & not plastic at all. Bigger than I had imagined and so well detailed. Can be used as a letter opener. The booklet is a nice addition, but it's based on the show; not on the books. It has the night's watch oath and stunning pictures. The stand is plastic and has a logo you can't really identify - as it's the same color of the stand. Full review is on Bar Pop: <https://youtu.be/0aAD12-pIDY>

Awesome collectable for Game Of Thrones fans! Beautiful detail for a mini sword and has a nice weight to it (made of metal, not plastic). A must buy! Those who have negative comments about this just suck.. don't listen to them.

Such an awesome purchase! I love the detail! Every GOT fan needs this. Totally worth the price.

Great little gift for Game of Thrones fans, my mother loved it!

Nice little collectable to keep on your desk.

A very good collection for those who love Game of Thrones. The stand is broken when it arrived to me but its okay considering that it is delivered to me all the way to the Philippines. At least the sword is intact and that is what is more important.

Perfect 1/6 scale - nice quality. These are perfect for use with 1/6 scale collectibles.
