Customer Reviews

ok

Not what I was expecting in terms of skin or horror necessarily, but it made up for it in humor ten fold! And the art is amazing.. This guy takes you through an Aeon flux/japanamation/archer/venture brothers style roller coaster! Very talented and witty humor. Aka RAD!!

Wouldn't mind reading more, interesting collection of ironic to the moronic. A very good quick read, that will hold your attention.

This could never be considered an "Adult Comic" unless for one with arrested development. Could

not even be thought of as a "Teenager's Comic."
