Music For Weddings And Other Festive Occasions: All Organ

Synopsis

This will be a valuable addition to any organist's library, containing 24 processional and recessional as well as 40 additional "melodic pieces" which will be useful in many different church services, including weddings. The selections are scored on 2 staves but many of the songs have optional pedal notes written in smaller notation. Besides the standard pipe organ registrations, there are suggestions as well for the Hammond organ. A great variety of composers and styles are represented in this generous collection which will prove invaluable as a resource for the church organist.
