Made In Vietnam: Homestyle Recipes From Hanoi To Ho Chi Minh

Synopsis

Based on memorable meals eaten at street food stalls, family gatherings and countryside eateries, *Made In Vietnam* covers three main culinary regions of the country: the heart food of the north, dishes from the center, with its tradition of the imperial cuisine of the Hue, and the sweeter and spicier food of the tropical South. This comprehensive collection includes recipes from staple Vietnamese dishes, such as Beef Noodle Soup (Pho Bo), to lesser-known recipes, such as Eel in Caul Fat, Banana Flower Salad and Boiled Jackfruit Seeds. In addition to the recipes, *Made in Vietnam* also looks at aspects of the country's food history and its absorption of various culinary influences, including the extensive French influence, long-established coffee culture the casual style of dining that is so synonymous with many parts of Asia.

TRACEY LISTER is an Australian chef who follows her passion for Vietnamese food through her successful cooking school, the Hanoi Cooking Centre, based near the capital's famous old quarter. Her husband, ANDREAS POHL, works as a writer, researcher and educator and has a keen interest in Vietnam's culture and social history.

Deceptive repackaging and retitling of her third book. Same organization of chapters, same recipes, same wording, same photos, same publisher!! Just a piggish effort to make money from same old product.
