Remembering The Forgotten God: An Interactive Workbook For Individual And Small Group Study

Synopsis

In this workbook companion to *Forgotten God*, author Francis Chan reminds us of the true source of the church's power—the Holy Spirit. Chan contends that we've ignored the Spirit for far too long, and that without Him, we operate in our own strength, only accomplishing human-sized results. Offering a compelling invitation to understand, embrace, and follow the Holy Spirit's direction in our lives the workbook is designed to initiate and facilitate both individual study, and small group discussion, interaction and practical application of the message of *Forgotten God*. The workbook will stand alone, or can be used alongside the *Forgotten God* DVD Study Resource. Francis' thought-provoking teaching makes this a valuable workbook resource for individual study, a seven-week small group study, churches, youth groups, and college campus ministries—and perfect for retreat weekends.

Customer Reviews

A pastor and church planter based in San Francisco, Francis Chan speaks to tens of thousands of people around the world every year. Known for his passionate, biblical style, Chan is on the board of World Impact and is the author of *Forgotten God*, *Erasing Hell*, and *Crazy Love*, which has sold nearly two million copies.

I read the book *Forgotten God: Reversing Our Tragic Neglect of the Holy Spirit* before I knew about this interactive workbook. I ordered it, glanced at it, & lent it & the book to a friend, so I have not used it, yet. I can not imagine that it would not be helpful. If it aids anyone in gaining more

understanding then they got from reading the book, then it will have met it's purpose. If I can add to this Review, or do another after using it, I surely will. Please, look for my review of the book, then you will understand my review of this.

I was looking for material to teach on the Holy Spirit when I found this book by Francis Chan. My background helped me to understand that for a starting course on the Holy Spirit, this book would work well. I order the DVD and a workbook for a class of about 25 and we are to start shortly. The book covers plenty of scriptures with a balanced look at who the Holy Spirit is and why we need His work in our lives today. The goal of the book is to move a "natural" church to a "supernatural" church. Learning to allow the the Holy Spirit to do his work through the people of the church.

This is such an amazing bible study to experience. We started doing this with our small group. Francis Chan has this way of making you feel so convicted, but not in a horrible way. He makes you feel convicted, but empowered to be different.

My ladies bible study group is really enjoying this bible study! And on a personal note, it has made me really delve into the Bible more to answer questions that I normally would never have thought of.

Currently doing this in combination with the DVD with our women's bible study group... although I agree 100% that it could stand alone. I greatly appreciate that the scriptures listed to look up are grouped together to streamline the search (i.e. if there are 20 passages to look up - all of the ones from one book are grouped together in the order they appear in the book before looking up verses in another book). Love it! I also really like the way the Francis Chan writes in such an understandable way... and we all know that understanding the Holy Spirit is not always an easy task! While I mentioned that I am doing this with a group of women, I feel like it would be great in a Men's study or a Mixed gender study. It's just a great subject for all points on the journey of faith whether you are a man or a woman.

Great study, fast shipping.

Good study guide
