Customer Reviews

Into the Woods is one of my favorite musicals, so I might be a bit biased in my review. The sheets are easy to read, what you'd come to expect from Hal Leonard products. My only beef is that I was a bit disappointed in the song selections, but I purchased the book knowing exactly which selections were included. I would liked to have seen Hello Little Girl and A Very Nice Prince. I'll settle for PDF copies until I feel like purchasing the full score.

Nice arrangements.

Just what I was looking for.

Good

exactly as advertised.

I love this musical, and this book had the song I needed in it. Worked out well for my needs.

This is a great product.

I have loved all of these songs since I was a child. It is great to have my own copy now to play whenever I want.
