## Customer Reviews

Great information and tips

Love these books. Lots of good information.

love those instant downloads

I originally got this set for the Body Scrub Making book since I'm hoping to make some body scrub for Christmas gifts, but after looking over the other 2 books in the set (Body Butter Making & Lotion Making) I'm thinking of mixing up several different ideals for the gifts. Each of these books have recipes & step by step instructions for making your own beauty products.
