Live free in the here and now! Rejection, depression, guilt, fear, deception. These symptoms of spiritual bondage are everywhere you look. The good news is that this oppression can be replaced by the joy, peace and freedom God's healing brings. With more than fourteen years of experience in healing and deliverance ministry, Chester and Betsy Kylstra have developed a unique approach that offers lasting results by integrating the four key areas usually treated as separate issues: - sins of the fathers and resulting curses - ungodly beliefs - soul / spirit hurts- demonic oppression The Kylstras offer detailed biblical grounding, real-life examples and immense practicality to help guide ministers and ministry receivers alike. Biblical Healing and Deliverance will deliver to you the promise of God's lasting freedom. "I heartily recommend this book to all who would heal others or be healed themselves."--John Sandford, cofounder, Elijah House, Inc. "This book expresses the most

balanced and workable ministry in the area of biblical healing that I have ever witnessed or experienced."--Dr. Bill Hamon, founder and president; Christian International Ministries Network"An outstanding, life-changing book!"--Dr. ChÃ© Ahn, senior pastor, Harvest Rock Church"The Kylstras' systematic teaching will restore your foundations to be truly free in Christ."--John Arnott, senior pastor, Toronto Airport Christian Fellowship

This book is amazing. I am about to go through RTF's ministry in a few month and they had me get and go through this book. The things that has happened were incredible! Even at just the first stage I was driving out a demon from me... and since then every step has been incredible! I have never felt so free to love my God as I have now from having all the muck cleared out between He and I. This book showed me how real the power of prayer can be! I have had so many life questions answered by applying some of the principles and techniques in this book and had healing occur at almost every stage of the reading!

Excellent book. For anyone who wants to find the freedom Jesus died to give them but is struggling with finding that "abundant life" He spoke of. Many of us know the verses used in spiritual warfare but are likened to a drunken Jedi in utilizing them. This book step by step lays out how to gain your freedom in Christ from strongholds, bondage, or oppression. Biblically sound, no crazy stuff. It's so straight forward you'll be asking yourself why you never realized these truths earlier and why the larger Body doesn't seem to know what should be common day knowledge for attaining and maintaining our freedom, our walk, and our joy in the Lord.

This book and its principles brought great healing and deliverance! It changed my life. The process, that this book walks you through, is simple and easy to understand. Most "self help" books point out all that you have done wrong and then give you a list of how to do it right from now on. This book is different! It comes from the vantage point of an allie, pointing out the enemies ways and damage done. Then it helps to clean up and repair the damage, going on to teach you how to prevent the enemies progress in the future. Well worth the money and time to ingest it. Thanks for carrying this

book and Thanks to the authors for all that they put into this book! Job well done!!!

This is reading for every spiritually mature Christian.

At first glance the title might conjure up a picture or two from the darker side of religion. Instead, I was pleased to find the subjects of healing and deliverance discussed from a simple, non-condemning and sometimes humorous writing style. The authors are obviously well educated in the areas of healing and deliverance, use several examples from their personal experiences and the points made are solidly biblical based.

Wow this book is helping me in so many areas of my life.

on time , as described

We all encounter negative things or experiences that effect the way we live and view life. This book, Biblical Healing and Deliverance will show a person how to regain the joy of the Lord and freedom by going after emotional hurts and pain for instance through the power of God and the authority He has given us through Jesus Christ. This book gives a very detailed approach to four different main categories (areas) of how we are impacted by these negative influences. There are no quick fixes offered here but a solid foundation for freedom from bondage to things that hold us back from living out the life that God has designed each of us to live. Buy this book! There is none other like it.
