Presenting the Holy Spirit, Volume 1: Who is He?

Spirit filled lady pastor from an old line church that didn't ordain women. Who better to teach the miraculous working of the Holy Spirit on the hearts and lives of "men". If you want same old milk-toast Christianity this may not be the book or the author for you. This is a basic introduction to a present, real, life changing God who is not found in old books but is as close as your own heart.

Haven't read it yet. If it's anything like the first one, it's wonderful.

Excellent presentation and explanation of the Holy Spirit. Her in-depth knowledge and understanding of the person of the Holy Spirit is unequalled.
