Stanley M. Horton is a respected theologian who holds degrees from the University of California at Berkeley, Gordon-Conwell Theological Seminary, Harvard University, and Central Bible Theological Seminary. He has dedicated years to teaching at Central Bible College and The Assemblies of God Theological Seminary in Springfield, Missouri, as well as, at several international schools during his extensive travels. Horton has made a notable contribution to the Pentecostal movement through his prolific writings and editorial work on such books as Systematic Theology: A Pentecostal Perspective, The Full Life Study Bible and The Complete Biblical Library.

This book was recommended reading for my Berean School of the Bible course in Introduction to Pentecostal Doctrine. The book is wonderful and adds a whole new dimension to the course not covered in the course materials. I highly recommend this book for anyone who is interested in the topic on the Holy Spirit. It is easy reading and not too theologically technical, which was a concern I had when I bought the book. This book is easily understandable for both the layman and the theologian.

Okay I'm teaching this class, and 2 students didn't order their books on time, due to the inability of internet I order the book for them, one before the other because they didn't both tell me at the same time. Anyway, 1 book got stuck in snow, for 5 days I order 2nd and last book from this book dealer and I ask them if they have any other shipping method besides regular, but they kindly apologies and say no but they will try to hurry the processing, I was happy with that much I told them about the snow because it was during the blizzard of 2016 the froze over the east coast and all the planes trains and automobiles so these girls are missing at least 4 weeks of a 5 week course with out their book is my thought I don't know what happened but in 3 days I got one book and the other got there to late. Its still wrapped. Both by USPS regular mail from ice to Florida, got one in time for 3 more weeks of study's for these girls to share. A huge thank you to all involved. Oh and the book is an easy read great examples given and answers given to even things you didn't know you didn't know about the 3rd person of the Holy Trinity of God

Excellent, This is an extra reading for my online classes, saved mucho denary ordering from here. Saw several more books for upcoming classes that will order in time. TWO THUMBS UP.

Good product and fast shipping, I'm really enjoying this.

This book is a more scholarly look at the Holy Spirit throughout the Bible. If you are interested in studying the Person of the Holy Spirit and not just the gifts this book may be just what you are looking for. I used it for a weekly Bible Study and all the members found the book a great resource.

Taking a class on understanding the Holy Spirit, Mr Horton, analysis it and breaks down what history has to say about the Holy Spirit and how He influences our Lives if we let him, Praise God
