Customer Reviews

Been wanting a copy of this for a while. Cortot is the go to guy for not only good editions of Chopin's pieces but for invaluable suggestions as to how to practice, interpret and perform them. I have various other Cortot editions of Chopin and have worked on pieces in many of them. I recommend Cortot to all my piano students a well.

It was fine once it arrived. Took a while!

The edition is clear and well spaced; the composer--sublime.
