## Customer Reviews

didn't like it

I'm a fan of the author, but I've got to be honest and say that this series doesn't press all my fujoshi buttons like her others. This is the third installment in the series and there still hasn't been any . . . well, you know. There's enough sexual tension and faith in the author to keep me interested, but

usually by now she's thrown in a little more steam and I'm feeling its lack a little keenly. In addition, I'm not a big fan of Dusty. Although I do enjoy the role reversal of a vampire submissive, Dusty is too thorny for me to feel any real empathy for him.

Vampire slave three is so short I read two and three in a hour and I'm a slow reader. And VP leader is a crack head you got a blowing from a vampire so get off your high horse with this I hate your kind. But still good read I'm loving it.

its ok

Another great book. Their relationship is serious and fun at the same time.. The danger gets worse as the story goes on. Sorry not really into writing a review today.

This series is lacking a bit. The main characters are both a bit...feminine....despite the initial vibe that they may be more masculine. I don't really like characters that come across as whiny in my imagination! Plus if you think it's going to be a hot/steamy story...your wrong...there's a lot of suspense as you hope for more...and then you don't get it...disappointing.

I like this book. I wish it was longer. I love this writer. I own a lot of her books. very good but it is boy on boy. This is a very good series.

This series is the first non grafic novel books of this nature I have read. I read lots of Yaoi manga so I was worried that with out all of the imagery I would be let down. The Author did not disappoint! I recommend it whole heartily! I have completed reading this series!
