Customer Reviews

Brian Leaf, MA is founder and Director of New Leaf Learning Center in Western Massachusetts. In his twenty years of private teaching and tutoring, Brian has instructed SAT and ACT preparation to thousands of students from numerous states and countries. His private tutoring sessions have a two-year wait list. Brian is a member of the American School Counselor Association and the Massachusetts School Counselors Association.

This review book is actually very detailed and easy to read. The English and Reading sections in this book are excellent and really help prepare you for the type of questions you'll see on the ACT. The science section was a less helpful but had some useful tips. I would recommend reading the solutions to all the problems-even the ones you got right because Brian gives many time-saving tips

Good

Simple and easy to follow.

Brian Leaf has masterfully broken down the skills necessary to feel comfortable with the ACT. I have taught an ACT prep class for over a decade, and this is the first book I have my students purchase.
