Mesopotamia: World Cultures Through Time (Primary Source Readers)

Synopsis

The ancient city of Mesopotamia was located in the Middle East and was made up of empires such as the Babylonian Empire, Assyrian Empire, Persian Empire, and Phoenician Empire. Readers will explore these incredible empires and discover how each made contributions and influenced the world as it exists today. The fascinating sidebars filled with captivating facts work in conjunction with the vibrant, alluring images to engage and excite readers as they learn about the Sumerian society, Hebrews, Phoenicians, nomads, and more! A glossary and index are provided to aid in better understanding of the content. About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.

Customer Reviews

The series uses the phrase "primary source", but this is not a collection of primary sources. I dislike the misleading title.
