Customer Reviews

As part of my study routine I took a practice test twice per week. I had originally used the larger practice test booklets that contain 10 tests. Those worked well, but the books are so large and the tests are generally several years old, so I didn't feel like I was really getting the true feel of what the actual test would be like. During the final 3 weeks of my study plan, I started buying these test booklets for my practice tests. These booklets cost a little more, but the tests are much more recent and they are in the exact format as the actual LSAT. Taking these practice tests helped me ace the LSAT's format. When it came to the actual test day, I was very well prepared and I scored a 178!

I'm currently studying nonstop for the lsat - this is legit test forms from years past and is the best prep you can do. Totally worth the money. Invaluable practice!
