Spell Crafts: Creating Magical Objects (Llewellyn's Practical Magick)

Synopsis

Feel the energy that flows through everything you do. Tap into that power! Carve a symbol, dip a candle, mix fragrant herbs, sculpt clay, and make your life all that you want it to be. When crafts are used to create objects intended for ritual or to symbolize the divine, the connection between the craftsperson and divinity grows more intense. This second edition of *Spell Crafts*, the much-loved and oft-read guide to magical handwork, features new illustrations and a new preface by David Harrington. Learn how to create and use all of the following: Magical simmering potpourris A beaded psychic mandala Clay pentacles, plaques, and runic dice A shaman's arrow Sand paintings Corn Mother A magical spell broom Protective hex sign Witch bottles Flower garlands Spell banner Magic mirror Prosperity trivet Wheat weaving

Customer Reviews

Spell Crafts by Scott Cunningham and David Harrington asks you to see your hands as wondrous vehicles of power. Then you can understand the magic you can imbue into crafts such as mixing fragrant herbs, sculpting clay, and weaving wheat. What *Spell Crafts* wants you to understand is that the act of making any object with your hands can be magical. From the collecting of materials to make your desired object, to the basic crafting, final shaping, charging, and use, you will discover that the entire project can be magical. Making a craft with your hands can be more than a manual art. Creating an item is also a connection with your inner self; a tool you can use to alter your life.

This skill can be mastered by anyone who has a willingness to learn and a deep desire for self-transformation. In Spell Crafts, magic and craft merge. The work of the hand melds with that of the mind and spirit. By using this book, your desire to use your natural skills, and a devotion to the divine, you can make magic! Get Spell Crafts today.

Scott Cunningham practiced magic actively for over twenty years. He was the author of more than fifty books covering both fiction and non-fiction subject matter; sixteen of his titles are published by Llewellyn Publications. Scott's books reflect a broad range of interests within the New Age sphere, where he was very highly regarded. He passed from this life on March 28, 1993, after a long illness. David Harrington lives in Chula Vista, California and has a long-term interest in the mysteries of household magic. ~

Cute book. I'm not a fan of potpourri and there are a lot of potpourri recipes. But there are a neat little portion of crafts that I think will be fun to try out such as candle dipping! Love the illustrations.

Wiccan book of spells. Never do evil or it comes back to you threefold.

Scott Cunningham wrote the holy grail in my opinion for spell crafting and making magical objects. His writings are clear, understandable and better yet actually doable. He was not afraid to explain the good and the bad in this craft. I Will always look for and buy works from Scott Cunningham before entertaining thoughts of going to another with any need I may have that requires the use of magic.

As with all of Scott Cunningham's books they are extremely easy to read and follow . I can use all information that is in the book and it's practical purposes are very much easy to understand.

Excited to explore this book, I enjoy Scott Cunningham's work. I have several of his books & I must say he is one of my very favorite wiccan authors. I would certainly recommend him to beginners, he covers topics in a way that is easy to understand, but also in depth.

Cool reference book. Gives you the basics of crafting technics so you can do your own thing limited only by your imagination and build skills.

Wish it had more crafts, but it is very informative!

I wasn't always a fan of Scott Cunningham's but now I am! Very delightful book in so many ways! It really helps one with appreciating their own Magical Creative nature with a lot of wonderful inspiring ideas!
