The Incredible Kintaro (Yaoi Manga)

Synopsis

Makoto's grandfather was the principal of the great Onodera Academy, and when he passed away, he left Makoto and his school staff with one very important will: "The one man who is able to seduce Makoto with his superb sexual techniques will be given the right to take over as Onodera Academy's new principal!" Because of this ridiculous last request, Makoto is now every faculty member's target for sexual harassment! Desperate to protect his virginity, Makoto seeks help from his childhood friend (and the man who he has always loved), Kintaro.

Best Sellers Rank: #501,734 in Books (See Top 100 in Books) #235 in Books > Comics & Graphic Novels > Manga > Yaoi, Gay & Lesbian

Customer Reviews

This book has taken a ridiculously long time to make it to print; after nearly two years of having the date be repeatedly extended, I nearly gave up hope of ever getting my hands on it (now I wish this was the case). The cover and blurb seemed silly and cute and a much needed break from the heavier, more emotionally charged mangas that I've read recently, but unfortunately, "The Incredible Kintaro" is just a great disappointment full of over the top ridiculousness that doesn't even have the benefit of being humorous- it's the worst kind of juvenile comedy (anuses acting as flower vases, remote controlled tentacle rapists and a pants dropping hero with a per chance for odd, balls incorporating martial art moves). In addition, the characters are anything but appealing, both artistically or emotionally. They're shallow caricatures, poor facsimiles of much better uke and seme duos in yaoi of late. Even the writing is stunted and undeveloped. Really, the whole thing is a crass attempt to flaunt naked man bits. Frankly, I prefer at least a semblance of plot, striking art and/or intriguing characters to accompany my naked man bits in yaoi.

I bought The Incredible Kintaro because the description made it sound funny and cute. However, I was somewhat disappointed at the amount of ridiculousness that it contained. I don't mind manga that has elements of the fantastic (read: not plausible). If I did mind that, I wouldn't read manga. However, I don't want the whole story to be one fantastic farce with no real plot to speak of at all. I like a little substance to go with my lightheartedness, and there was none to be found here.

Great art and very funny and sexy. I do think the introduction of the plot/main characters was a bit rushed. Perhaps something lost in translation? I'm not sure about that early passing but I am sure that I adore Naomi Guren's work!

While this was neither deep or angsty I found it to be okay for me. It did what I wanted was to take my mind away from the normal hubbub of life. I thought it was somewhat over the top at times but liked it for what I think it was supposed to be, a bit of fluff and an over the top comedy.

This manga was strange. I love love LOVE the art however, the story line was really strange and frankly, a waste of time. I wouldn't read it again but i guess it was a fun read. I'll skim through it again, but i don't believe i will read it again.

The artwork is very good, which is rare for English translated yaoi manga in print. And for that alone, I give it three stars... The story is different, and a bit ridiculous, but I still enjoyed reading it for the most part. Another star.

My friend loves this book!

Just amazing!
