Customer Reviews

Enjoy this recipe from 101 Cupcake, Cookie & Brownie Recipes. Thanks to Judy Jones from Chinquapin, NC for sharing this recipe! Red Velvet Bars 18-1/2 oz. pkg. red velvet cake mix 2 T. brown sugar, packed 1 t. baking cocoa 2 eggs, beaten 1/2 c. oil 1/2 t. vanilla extract 2 T. water 1 c. white chocolate chips 1/2 c. chopped pecans Optional: whipped topping, additional chopped pecans In a large bowl, combine dry cake mix, brown sugar and cocoa. Stir in eggs, oil, vanilla and water. Mix in chocolate chips and pecans. Spray a 13"x9" baking pan with non-stick vegetable spray; spread in batter. Bake at 350 degrees for 18 to 20 minutes. Cool and spread with whipped topping and additional pecans, if using. Cut into bars. Makes 20.

Dear Friend, We love sharing dessert with family & friends...especially when the treats are easy to

make and decorate! In 101 Cupcake, Cookie & Brownie Recipes, you'll discover a yummy collection of confections you can bake up in a snap. Easy-to-follow recipes...many with ready-made ingredients...and simple decorating ideas make this cookbook an instant favorite for you and your family. Indulge in Special Mocha Cupcakes, The Ultimate Chip Cookies and Divine Praline Brownies. You'll be delighted with simple and scrumptious recipes like Apricot Layer Bars, Peanut Butter Cup Cupcakes and Iced Raspberry Delights. Plus, we've tucked in a special chapter of goodies just perfect for holidays, parties and other celebrations like Bride & Groom Cookies, Be Mine Cherry Brownies, "Oh, Christmas Tree" Cookies and too-cute Tom Turkey Cupcakes. Plus, there's an irresistible photo alongside each recipe to inspire ideas for tempting toppings and other easy yet impressive decorations. With 101 Cupcake, Cookie & Brownie Recipes, every meal will have a sweet ending! So, let's get baking! Vickie & Jo Ann

I bought this for the 9 year old grandson. Baking/cooking is his his 4th favorite hobby, right after hockey, baseball and fishing. I haven't made any of the recipes but I've read thru them all. Every recipe is on one page with a beautiful color picture of the finished product. The recipes don't call for strange or exotic ingredients. The directions are clear and easy to understand. The pages are smooth and sturdy, should withstand heavy use and an occasional spill. I like that it's spiral bound to lay flat on the counter. In the back is an index listing recipes by category - cupcakes, cookies, bars & brownies. The last page has U.S. to Canadian recipe equivalents, baking pan sizes, recipe abbreviations and kitchen measurements. Most of the recipes are from scratch, but some call for brownie or cake mix, a handy shortcut for a 9 year old or a busy cook. I do object to the shortening called for in some of the recipes, but I'll suggest substituting softened butter. I'm no expert but I hope that'll work. If not, his mother will know better. This will be part of his Christmas present, along with Å Kauffman's Silicone Cupcake Pan and 12-pack Silicone Liners Bundle, Chicago Metallic 26783 Lasagna Trio Pan, 12 by 15 by 3", Silver, Hidden Treasures Mini Baking Pans, three children's cookbooks, some cooking & baking utensils and some ingredients (brownie & cake mixes, vanilla, chocolate chips, sprinkles, etc) all together in a tote box, a 'kitchen kit' of his very own. And of course 2 hockey sticks (one for ice, one for street hockey), some hockey pucks, some games and whatever else I run across.

My 13 year old granddaughter is learning to bake. I saw this book and thought it would be a good first adventure into cake baking, and it is. When I was visiting one morning woke up to the smell of baked goods. My granddaughter couldn't sleep so got up at 5 and had a batch of cupcakes ready

for me to taste. What a treat for her old Grand dad

Already made a couple of recipes from this book & looking forward to trying some more. I'm always trying to find new recipes & ideas for cupcakes, cookies, brownies & bars. This way desserts don't get boring.

The recipes are kind of odd boring things. And all are sent in from other people, it's not a particular persons recipe book. Very childish recipes.

Great ideas to make fun desserts, but does not have recipes from scratch. Many of them are from cake mix boxes. Although this makes it easy to make, I wish there was an alternative to the cake mix. Got this as a gift for my younger brother. He liked it for the ideas, but did not really find it useful for the taste.

You just HAVE to find something you can use in this book; there is an amazing variety of ideas! The book was used but the "good" rating should have been even better -- all aspects of this purchase were excellent including the delivery time. I would really recommend this to anyone who enjoys baking individual portion size cakes that you do not have to bother to "slice and serve".

I sent this as a present. The recipient made me something from the book and it was good. I call that a success!

Nice Recipes and cool book
