The cookie recipes in this book are good and fun to make. My kids enjoyed helping. We sold the cookies we made at a bake sale and they were a hit. Especially liked the Vanilla Stars and Peanut Butterflies.

perfect as the gift it was purchased for

Great little cookbook for kids. I gave it to some little girls along with cookie cutters and a rolling pin. They were delighted. Their favorite TV show is Cupcake Wars.

Our favorites are Moon melts, Lamb Jams and Peppermint Pigs. Lots of fun! And easy to make too. Recommend highly.

Very cute idea and kid friendly. Not that many recipes though. Not really worth the money. Great for bonding with the kids.

As a fun, family activity Cookie Bookie crosses all generational lines between Mothers, Fathers, Grandmothers, Grandfathers and Children of all ages. Cookie Bookie is a wonderful way to start those little Tea Parties with Granny. For my first Tea Party I read the colorful recipes with my "lovey" all snuggled up on my lap. Together we picked from an array of choices. What would it be - a yummy Butterfly or the Peppermint Piggies or those cute little Ladybugs or better still, the tasty Chocalate Chipmunks? Yummy! Yummy! Then the fun begins - mixing all the ingredients with a

"finger dip" taste test every couple of minutes. Nothing matches seeing your child's "awe" as their cookie creation comes out of the oven. Ready now for Granny's special Tea Party with Mr. Munchy Moon Melts, The Sweethearts, Miss Lamb Jams, Monster Mish-Mash, Miss Lady Bug Dot and my little Lovey, the guest of honor. A wonderful time had by all. This vibrant colorful book contains beautiful illustrations of cookie characters that light up the imagination. I highly recommend *Cookie Bookie* as a Must-Get book for family and friends. P.S. *COOKIE MONSTER* must now be in *COOKIE BOOKIE* Heaven!!!

"This cookie is the BEST!" That was the opinion my marshmallow cream-adorned three year old granddaughter volunteered about the MoonMelts, one of several of the fun, easy, and delicious recipes we made from this very kid-friendly "cookie bookie." Not only the grandchildren but I love the vibrant color "kids-did-it" illustrations in this book. Butterflies, a blue chipmunk, a smiling ladybug, and much more accompany the recipes for these creatively-named cookies (Cherry Chirps, Dragon Crisps, MoonMelts and, my favorite, Peppermint Pig Puffs!) We bought several of the books and were so positively impressed we even shared the purchasing information with friends who own a children's gift shop. This book is an all-round good choice for an affordable gift for a child--fun, educational, and beautiful. You will have a ball making these cookies with the children in your life, and you will make the best of memories for them.

I received this cookie bookie as a gift and have been raving about it ever since. Not only are the recipes fun, creative, and kid-friendly, the illustrations throughout the book were created by children! It is amazing the quality of art these children have produced, and I find myself thumbing through it repeatedly enjoying the vibrant color and cute designs the kids have come up with. I plan to buy several more and attach them to baked goodies for Christmas presents this year for my friends with little ones. Will continue to be a great project for our rainy Northwest winters in the years to come! Highly recommend this book.
