Knitting Socks: Quick And Easy Way To Master Sock Knitting In 3 Days (Sock Knitting Patterns Book 1)

Synopsis

Knitting socks is no longer just for your grandmother! Though knitting was once thought of as something that only old women do, it is quickly becoming trendy even for young people. It enables you to have complete control over style, design, and color of your garments. And once you learn the basic practice, you can knit almost anything you can think of. What stands in most people's way is getting started. How do you learn to knit socks? Where do you find knitting patterns? This book answers all of those questions and more. What will this book teach you? ¢ Getting started knitting socks ¢ How to find the right knitting tools and correct needles for knitting your socks ¢ How to pick the best knitting yarn ¢ 10 Most popular sock knitting patterns ¢ How to size your socks ¢ How to knit socks from the Top-down ¢ How to knit sock from the Toe-up ¢ Sock Cast-on techniques, such as, Long Tail cast on, Eastern/ Turkish cast on ¢ The Double Point and Circular Needle methods ¢ Tips on how to knit long lasting, beautiful socks ¢ And so much more!..Even if you have never picked up a pair of knitting needles before, you can easily start knitting your way towards a pair of perfect socks with this book. It even includes a Glossary of Knitting Terms as an added BONUS, so as you expand your projects to other designs and find other patterns, you will never be in the dark. This book also includes 1 basic top-down sock pattern and 7 additional popular sock patterns for you to work on. While this book is intended to get you started in the world of knitting, it can easily serve as a refresher for even the most experienced knitter! Whether you want to get started or want to get back to basics and hone your skills, "Knitting Socks for Beginners" is the book for you. From Tube socks to Fair Isle socks, you have all the information and knitting patterns you need. Socks are not necessarily the easiest thing to knit, but the techniques used to make a pair of socks introduces you to everything else you need to know about knitting. This book will guide you through every stage of the knitting process and help you create a pair of perfectly knitted socks, in just three days! There is no better book for learning the basics of knitting. This acts as the perfect springboard for more complex knitting projects, with all of the techniques, tips, and terms spelled out to keep you on the right track. If you are looking for a great book about sock knitting, look no further. Get your copy of "Knitting Socks for Beginners" today! Check Out What Others Are Saying... "This is a brilliant book for beginners. I've never tried knitting before but now can't wait to get started. The author goes through every step of the knitting process in fine detail. The book is very well written and has excellent photographs and diagrams. I would definitely recommend this book to anyone who wants to try sock knitting for the first time." - Lesley H "I've been thinking of knitting for quite a awhile now. I'm glad I stumbled on this book. I'm a total newbie so this book is perfect for me. "Knitting socks for beginners" gives step by step instructions to get started at knitting

socks. Has tons of info- tools, needle size,yarn types.Great help for the beginner. Thanks"- Eric Bonilla (CA, US)"I've been wanting to learn to knit socks for a LONG time and this book provides a perfect, comprehensive, straightforward guide to learning to do so. I've read the entire book and feel confident now about the knitting projects I have planned. Can't wait to get started!"- Anne

Customer Reviews

What a wonderful book! I always thought that knitting tutorials would be better in video, but you just can't do it in video. Peoples hands move too fast.I began knitting after going on disability, but most of it I remembered from my grandmother and I was really limited to scarves with the same repetitive pattern. We now have about 20 scarves for a family of three :(Socks seemed to be the next evolutionary step and the designs in this book are incredible, I mean socks are cool, you've got to see the patterns. The only reason I've given this book four stars is because I've followed the directions to the letter, and each time I start to pick up stitches there seems to be less on the top than on the bottom. I'm not sure if I've done something wrong or not, but I'm on my 3rd pair.

I absolutely enjoyed this book. I've read a few other books on socks knitting before but seriously felt compelled to give a review on this one in particular because it was very easy to read and helped me get into sock knitting right away. The language used was simple and knitting instructions were adequately explained. I must admit I was a bit hesitant to purchase at first because I've read a couple books on sock knitting before that didn't really help much, but then I downloaded a sample of this book first and was very impressed so I went ahead and purchased the book to get a full read and it was very much worth it, I started knitting my very own sock and I'm feeling excited about it. I've had the help of the many pictures that are in this book, probably one of the best thing about it as the pictures provided a visual guide while knitting. I also loved the fact that it helped with using the needles and that's very important. But what I most appreciated about this book was the fact that the instructions and the language used was so very simple. I didn't have any trouble following each step and knitting my sock and I think that's really what everyone's looking for in a To-Do book like this. So I highly recommend this book to Everyone!!

even if you dont want to knit socks, it has excellent directions for all aspects of knitting from casting on, to yarn definitions to stitch types ,

I was looking for a good manual how to get started knitting socks. With all those books available on different sock knitting patterns, I did not know where to start as I am just a beginner. What can I say about this book Â“ it really did a great job and got me involved in this new field. Not only I had my first pair of socks knitted in a week (have to admin IÂ’m lazy), but now IÂ’m familiar with all those fancy knitting terms, also know how to choose the right yarn and what are different type of needles used for knitting project. I was able to learn how to knit socks with the help of this book what seemed a bit unrealistic to me some time ago. 5 stars from me.

as expected

Very good basic information on knitting socks, and fixing errors. Did not really like it as an ebook because I have trouble seeing some of the pics. However, being able to go this ebook while traveling is worth any problem!

Great book...thank you

Good book but could be better. Not what I expected but do not regret the purchase.
