Customer Reviews

Excellent book!! Couldn't put it down til finished studying it, which took less than 48 hrs. I am a retired widow who already believed in healing. I want to be more effective and see more healings when I lay hands on people. It's like I took a course to improve my ministry. I read it in my Kindle, and was able to underline important things. When I finished I printed out five pages of notes! I want so much to be used by God as they are!

I chose this rating because this book is not only practical but very insightful. Bill and Randy have, by sharing their testimony, imparted wisdom and knowledge in the workings of the Holy Spirit. A guide which I can use in ministering healing beyond the four walls of the church. Keep up this excellent work so others may be able to bring heaven to earth.

Very interesting to read their personal accounts of how things progressed in their lives
