Best Sellers Rank: #3,068,060 in Books (See Top 100 in Books) #74 in Books > Crafts, Hobbies & Home > Antiques & Collectibles > Buttons

Customer Reviews

Book by Peacock, Primrose

this is a solid reference for the button collector. not full of the fancy color pictures, but very good reference of both front and backs of many buttons. I like the older books as they provide more pictures of older buttons, always a plus when you are trying to identify your finds.

received as described and on time

A little out dated for todays collector, but a pretty book
