## Synopsis

"Return with honor" is a call that has become familiar to every Latter-day Saint. For Elder Robert D. Hales, this stirring directive was his unit's motto when he served as a jet fighter pilot in the United States Air Force, and he uses it often in his teaching. During his military days, the motto was a constant and powerful reminder to complete each mission honorably - and now it reminds us, the Lord's children, that what we do on earth can make it possible to return with honor to our heavenly home. A beloved member of the Quorum of the Twelve Apostles of The Church of Jesus Christ of Latter-day Saints, Elder Hales writes with keen insight and compassion about the orderly preparations we need to make as we travel through mortality. Our journey of life has four vital stages: Decades of Preparation Decade of Decision Decades of Serving and Pressing Forward Decades of Serving and Enduring to the End Elder Hales considers each of these essential periods using vivid stories from his own life, compelling scriptural insights, and the wisdom he has gained through a tender relationship with the Savior. Whatever your stage in life, the message Elder Hales offers in *Return: Four Phases of Our Moral Journey Home* is clear: Keeping sacred covenants, prayerfully making life's important decisions, and embracing the Savior and His Atonement can prepare you for eternal life - the greatest gift of God. This volume is an inspired guide to your journey home.

This book came in great condition and just in time for my Business class through BYU-Idaho last semester. It was an excellent read and the price was perfect. Highly recommend!

Arrive fine, the book is such an inspiration

Great book. We used it for our business class at BYU-Idaho. He speaks very plainly to capture all who would read it. It's great reading cover to cover, but also you're able to just read different chapters if you have an interest or a talk on certain subjects. I'll be using this book well after my course is over.

This is essentially telling us the basic things that we must do here in mortality in order that we can return with honor to our Father in Heaven.

AWESOME book. Just wish I had read it earlier in life!!

Enjoy the personal insite and experiences Elder Hales gives. Puts our journey here on earth into perspective.

Love this book! It really allows you to ponder your life and see areas that you can change to live a happier life.
