# Emily Post On Weddings: Revised Edition

## Synopsis

Your wedding day. It should be one of the happiest days of your life, not one of the most harried. The perfect wedding doesn't just happen--it takes planning. Things you never thought about suddenly occupy your every waking hour: How are the invitations worded? What is a semiformal wedding anyway? Why are announcements sent out, and who receives them anyway? What obligations does a wedding invitation confer on the recipient? Do guidelines exist for selecting a wedding gift? Who gives the wedding showers? Are there any guidelines for finding and working with a videographer? Brides and grooms and their parents will find the answers to these questions and much more in the pages of this indispensable book.

## Book Information

Paperback: 176 pages

Publisher: William Morrow; Revised ed. edition (May 19, 1994)

## Customer Reviews

Elizabeth L. Post, granddaughter-in-law of the legendary Emily Post, has earned the mantle of her predecessor as America's foremost authority on etiquette. Mrs. Post has revised the classic *Etiquette* five times since 1965.

As someone who was aiming to have a very classy, traditional wedding this was a lifesaver! I like knowing the "right" way to do things according to tradition. The biggest help in this book was the guide for attire depending on formality of wedding and time of day. I never knew tuxedos were only for nighttime! The description of a 'morning coat' for a morning wedding sounded outdated and ridiculous...until I looked up an image on the web. HOLY SMOKES that is a classy ensemble, and

you bet my groom and his men wore it! They looked and felt like a million bucks! This book is full of the information that just isn't found on Pinterest. Probably useless if you're going for non-traditional. But if you want to go classic, BUY THIS!

It's a period piece; some relevance to contemporary weddings, but not much. Miss Manners is much better.

Since most of us who'll buy wedding planning books are first time brides, this is a good one for starters. It's a FAQ collection. It covers broad areas, from what bridesmaid's responsibilities are to do-you-need-to-take-off-your-glove-for-the-ring-exchange. It's helpful, although you might get answers like that in other wedding etiquette books.
