Customer Reviews

The Law School Admission Council (LSAC) is a nonprofit corporation that provides unique, state-of-the-art products and services to ease the admission process for law schools and their applicants worldwide. More than 200 law schools in the United States, Canada, and Australia are members of the Council and benefit from LSAC's services. All law schools approved by the American Bar Association are LSAC members, as are Canadian law schools recognized by a provincial or territorial law society or government agency. Many nonmember law schools also take advantage of LSAC's services. For all users, LSAC strives to provide the highest quality of products, services, and customer service. Founded in 1947, the Council is best known for administering the Law School Admission Test (LSAT®), with about 150,000 tests administered annually at testing centers worldwide. LSAC also processes academic credentials for an average of 84,000 law school applicants annually, provides essential software and information for admission offices and applicants, conducts educational conferences for law school professionals and prelaw advisors, sponsors and publishes research, funds diversity and other outreach grant programs, and publishes

LSAT preparation books and law school guides, among many other services.

Look, I know that dishing out almost ten bucks for each of these practice tests (PTs) sucks, but it is important. No prep book or test taking strategies can do the trick alone. The magic happens when you put what you've learned into practice with actual tests. Buy these, take them under perfectly simulated conditions (even find the testing room if you can), review them extensively to understand your mistakes, and kill it on test day. Between the 2 times I took the LSAT, I went through approximately 50 PTs. This prep had everything to do with my 97th and 99th percentile scores.

This Prep Test was an excellent choice. Of course, there is no particular difference between say PrepTest 61 or 63. However, I found this choice to be very challenging and full of highly varied tests. It was relatively thin but that can be expected with whichever prep test you choose to buy. So note that you should probably buy a few. It was the worth the price after exhausting all the free prep test options online.

Definitely a must have for anyone preparing for the LSAT exam. I have purchased number 62, 63, 64 and 65 Pretests and they are great for preparing me for the upcoming real LSAT in June. Law school here I come :)))

I used these book's along with the lsat logic reading game bible series.. I didn't study very much and was able to score a 171.. I attribute my success to these book's... The trick is drilling weak area's at the end of each week and ensuring you take a practice test at least once weekly. I would recommend about 15 practice tests to take in complete sittings and 15 for drilling weak areas.

It is a great product to have for the LSAT! It is not so expensive and you could definitely use it as a tool to improve your LSAT score!

as expected.

It is absolutely necessary to purchase LSAT 62-69 separately as they have not been published in a compilation book as of yet. If you are to be successful on the LSAT you need to take as many actual LSATs as humanly possible.

Great! Fast delivery!
